

# ShadeTree Retractable Awnings

All ShadeTree Retractable Awnings offer **manual or motorized operation** with options for wall switches, remote controls and wire-free wind sensors. All models can be mounted on a **wall, ceiling or roof** and offer an **optional protective hood**. While the **Front Blind** is only available on the Prestige and Optimum, a decorative valance is an option all models. Choose from 150+ styles of signature **Parà Tempotest® outdoor fabrics** offering a **10-year warranty** against fading, rotting and mold; Sunbrella can be used for an additional charge.
